Remember — Little and Often Matters

Short, regular practice helps children remember facts more easily. We recommend around three minutes of practice, four or five times a week, helping to build confidence and strengthen memory over time. The wost important thing is finding a routine that works for your child.

Help with Energy Bills

Struggling with finances? Green Doctors is a fully funded charity that provides free home visits to Lincolnshire households to save money on utility bills and provide free energy-saving measures such as LED bulbs.

There are no eligibility criteria and it is a free service.

Trip Lunches – Years 1 & 6

We are making final preparations for our upcoming school trips. If your child is in Year 1 or Year 6 and has a trip coming up, please ensure you have either booked or cancelled their school meal for that day.

If a hot meal is booked, we will automatically provide a packed lunch consisting of a wholemeal sandwich, fruit and a yoghurt.

If you would prefer to provide a packed lunch from home, please log in to your MCAS account and cancel the meal booking before the deadline below.
