

bright	scampers	steep	grated
--------	----------	-------	--------

Every morning Sam is woken up by the bright sunshine from his bedroom window. Sam jumps out of his bed and whizzes into the bathroom to brush his sparkling teeth. After that, he scampers down the steep set of stairs and rushes in to the kitchen. Today was going to be his first time making hot chocolate with marshmallows, he was feeling super excited. Sam decorated his hot drink with grated white chocolate and bright, colourful sprinkles.

Words I do not know	What I think it means	What it actually means

Termly Focus: Vocabulary

1) Which word means the same as hurry?

Find and write one word below:
