

Year 4

Autumn Term 1

Old Blighty

Maths

We will be building on our Knowledge of place value and addition. We will be further developing our knowledge of mental and written Arithmetic.

We will particularly be focussing on the children's recall of their multiplication tables.

Science

Our Year 4 scientists will be studying Humans and other Animals. In this topic we will investigate the human digestive system, teeth and food chains

Computing

We will be looking at Coding on Purple Mash.

RE

The question 'Why do we celebrate?' will be central to our studies.

Vocabulary

Country, county, sea, compass, North, South, East, West, population and topography

Digestion, teeth, molar, canines, incisors, predators, prey, producers.

Place value, digit, negative, positive, addition.

Setting, description, adjective, adverbial, senses, atmosphere, Non-Chronological, organisation, extended noun phrase.

English

Over the coming term we will be writing formal and informal letters. We will also be learning to create diary entries. These will be themed around our class book 'The Falcon Thief'.

We will also be studying grammar, spelling and punctuation including word classes, clauses and adverbial phrases.

Our focus on reading will continue and we will look to build life long readers with solid

History/ Geography

We will be studying the countries which make up the United Kingdom. We will study and compare the countries and regions of the UK. We will also look at a city study where we look at why was it established and how it has grown and changed over the years. We will learn map reading and compass points.

Art/DI

In Art we will be studying the work of Rene Magritte and painting in his style.

PSHE

Our Jigsaw piece this term is 'Being Me in My World.'

French

We will recap numbers to 10, instructions and greetings.

PE

We are doing Hockey and Dodgeball as part of Get-Set4PE.
