

Vocabulary

planting, weeds, growing, water, warmth, sun, seed, stem, roots, flowers, fruit, vegetables., wolf, pigs, strong, clever, beans, giant, loud, quiet, harp, goats, trip trap, troll

Understanding of the world

We will look at the world around us and talking about the changes we are seeing e.g the blossom on the trees

We will be using technology to look for information about how we grow our seeds and what our seeds need to grow.

Expressive Arts and Design

We will be using a range of construction materials to make enclosures.

We will be learning to describe what can see, hear and feel and taste.

Communication and Language

We will be remembering and following our nursery rules, and helping others to follow them. We will be listening to and joining in with our favourite stories and songs. We will be holding lots of conversations with our peers and the adults about growing and planting as well as talking about our favourite traditional tale.

Growing flowers & vegetables, and reading some traditional tales

Nursery Term 5 2021

Personal, Social and Emotional Development

We will continue to talk about how we are feeling each day.

We will continue to listen to our friends when playing and happily talk to them about our game or things that have been happening at home.

We will be helping the children to understand that they can't always have or do the things they want immediately.

Physical development

We will continue to access the outside area where we will be developing our gross motor skills. Our visits to the wooded area will continue, developing our awareness of what is around us. We will develop our fine motor skills by threading beads and using the tweezers, pencils and crayons. We will be encouraging the children to be much more independent eg putting on and zipping up coats, changing their own shoes, visiting the toilet.

Literacy

We will be continuing encouraging the children to tell us what has happened in a story, telling us the main characters, and who was doing what in the story. We will be encouraging them to think about what might happen next in new stories. We will be encouraging mark making, and talking about what these marks mean.

Maths

We will be continuing to practice our counting daily when we look at how many children are in nursery. We will be learning that numerals match a quantity. We will be practicing singing a range of number songs.
