

Vocabulary

Listen, walk, be kind, share, tidy, run, stop, quiet, friends, number, more, please and thank you.

Understanding of the world

We will be looking at ourselves, our friends and our similarities & differences. We will be learning to play alongside each other and with our new friends. We will be using our weather bear to discuss our clothing and how it changes with the seasons.

Expressive Arts and Design

We will be practicing and learning new nursery rhymes, building lots of models using our wooden blocks, and exploring our new home area.

Communication and Language

We will be learning to listen to the nursery staff and our new friends, both during conversations as well as learning to follow the nursery rules. We will be listening to and joining in with our favourite stories

Getting to know each other and our Nursery!

Nursery Term 1 2020

Personal, Social and Emotional Development

We will be starting to get to know each other and build new friendships. Every day we will be talking about how we feel. We will be practicing being brave and leaving our grown-ups without getting upset. We will be learning about the nursery and developing confidence in using all the resources.

Physical development

We will be accessing the outside area where we will be developing our gross motor skills; using bikes, our climbing frame and doing lots of large movements. We will be learning to look where we are going when moving around our outside area.

Literacy

While singing nursery rhymes, we will be filling in the missing words. We will be listening to stories with lots of repetition and rhyming words. We will be making marks and telling the nursery staff what the marks represent.

Maths

We will be learning to count using number rhymes and through our play with the nursery staff. We will be learning that objects can be grouped in a variety of ways, looking at how many and finding ways to represent this.
