

Year 4

Term 6

Maths

This term we will be looking at statistics, including tally charts and line graphs.

We will work on shape, direction and position.

We will continue to focus on the children's recall of their multiplication tables and continue to reinforce the four operations- addition, subtraction, multiplication and division.

Science

We will be consolidating our work previously done on states of matter, food chains and the water cycle.

Vocabulary

Ancient Greece, athlete, motto, logo, event, medal, complete, stadium, Spectator.

Predictor, prey, food web, Carnivore, herbivore, omnivore.

Multiplication, subtraction, addition, division, line graph, scale, tally.

Persuasion, conjunction, subordinate clause, noun phrase, main clause commas and apostrophes, standard English and word classes.

English

Over the coming term we will writing persuasive writing linking this to bidding to host the Olympic games!

We will also be studying grammar, spelling and punctuation including word classes, clauses and sentence types.

Our focus on reading will continue and we will look to further develop the children's comprehension skills.

The Olympics

History/ Geography

We will be looking at the history of the Olympic games and comparing the ancient games with the modern games that we know today. We will be looking at the ethos and motto of the games.

Art/DI

We are going to be designing and making athletic figures using papier mache.

Music

We will be composing and performing with tuned and un-tuned percussion.

RE

We will be looking at the theme of Pilgrimage

PSHE

Our Jigsaw piece this term is 'Changing Me'

PE
