Art - printing, pattern, repeated, rubbing

Geography - physical features, human features, beach, cliff, coast, forest, hill, sea, river, soil, season, weather, city, town, village, factory, farm, house, shop

## ART/DT

In Art, the children will be learning about printing. Children will explore how to print using a variety of different methods and techniques.

## RE

We will be learning about Christianity and what Christians believe God is like.

## Computing

This term, the children will be learning about coding using the Purple Mash software '2Code'. To master coding skills, pupils need to have the opportunity to explore program design and put computational thinking into practice.

## English

We will be continuing our daily Phonics lessons. In English this term, the children will be studying the Traditional Tale 'Jack and the Beanstalk'. They will use this story as a basis to write their own version. Towards the end of term, the children will be learning to write instructions. Children will explore the key features of an instructional text and use this knowledge to write their own instructions.

# Year 1 - Term 4

## Gardener's World

## Science

In science we are learning about plants and animals. Children will learn to identify and describe the basic structure of a plant, and identify and name a variety of common animals (including fish, amphibians, reptiles, mammals and birds) that are carnivores, herbivores & omnivores.

## Maths

In maths, we will begin by exploring the place value of numbers to 50. This will include counting forwards & backwards to 50, exploring the number's place value as well as ordering and comparing numbers to 50. Children will also be taught about length and height. They will compare length and height as well as learn to measure length and height.

## PE

PE lessons will be delivered during Y1 PPA on a Tuesday afternoon and by the class teacher on a Wednesday morning. Please ensure children are wearing appropriate PE kit for being outside on either of these days.

## PSHE

This term's Jigsaw is 'healthy me'. They will explore how to be healthy, making healthy choices and different ways to keep safe e.g. road safety.

## Geography / History

The children will explore the physical and human features of Long Sutton and its surrounding area (including our school). Children will be encouraged to use and understand key geographical language for each feature they discover.
