Year 3 – Term 5 Exploring Egypt

English

We will be focusing on the story 'Cinderella of the Nile. We will be using this text throughout the term and covering a range of different writing genres such as diary entries, story starters and newspaper reports. Eventually the children will be writing their own story set in Egypt.

We will continue to focus on using different sentence structures. We will also be learning different spelling rules each week.

Maths

We will be continuing our work on fractions. Learning to count in tenths, convert fractions to decimals and placing fractions on a number line. We will then be moving on to time and recap o'clock, half past, quarter past and quarter to.

Before moving on to months and years. Every week we will complete an arithmetic test and practice times table.

PSHE

Our topic for this term is relationships. We will discuss roles and responsibilities that different family members have, then move on to looking at what it requires to be a good friend and how to resolve conflicts. We will also be talking about how to keep ourselves safe.

PE

This term our PE topics are netball and hockey where the children look at various skills such as defending, attacking and different ways of passing the ball.

Science

This term we are continuing to work on the topic of light. We will be reviewing what we covered last term.

Music

This term we are learning all about the glockenspiel. We will be learning how to read music and play the different notes.

Geography

This term in geography we are using geographical skills to explore Egypt. We will be recapping the continents of the world and locating Egypt. We will also be looking into the geographical features of Egypt such as cities and rivers.

DT

This term in DT the children will be taught the process of designing, making and evaluating. They will also be taught to understand and use mechanical systems such as levers.

French

This term in French we will be revisiting what we have covered so far and practice on our listening and responding skills. We will also be covering the days of the week.
