

Year 4 Term 6

God Save The Queen!

Maths

We will be building on our knowledge of multiplication and division written techniques. We will also continue to work on telling the time and calculating periods of time. We will move on to shape and statistics. We will particularly be focussing on the children's recall of their multiplication tables in preparation for the Multiplication Check.

Science

We will be looking at food chains and food webs to learn about which animals are other animals prey or predator.

Art

We will be developing our drawing skills, including cross hatching to add shadows.
hadow.

RE

The children will look at pilgrimage.

Vocabulary

Prey, predator, food chain, food web, adaptation, herbivore, carnivore and omnivore.

Setting, description, adjective, adverbial, senses, atmosphere, extended noun phrase.

Analogue, digital, am, pm, midnight, mid-day, bar chart, line graph.

English

Over the coming term we will be continuing with our work on writing newspaper reports. We will then look at mystery stories and create one of our own. Our final writing topic will be explanatory texts. We will also be studying grammar, spelling and punctuation including word classes; clauses and phrases.; commas; punctuating speech.

Our focus on reading will continue and we will look to build life long readers with solid

comprehension skills.

History

We will study the life and impact of Queen Victoria and Queen Elizabeth II. We will be looking at how the world of inventions and innovations changed our country and improved people's lives.

DT

In DT we will be researching, designing and then making a tourist's travel bag.

PSHEOur Jigsaw piece this term is 'Changes'.

We will be looking at how our bodies change during puberty

PE

Year 4 will be doing tag rugby and athletics.
