

## Vocabulary

Maths – addition, subtraction, take away, shape, geometry.

English – full stops, capital letters, finger spaces.

Science – materials, objects, properties, wood plastic, glass, metal, water.

History – past, present, timeline, living memory, long ago.

British Value – Democracy and voting.

## ART/DT

In DT the children will be learning key skills in 'Preparing Fruit and Vegetables'.

## Language of the term

Our children will continue to learn Makaton throughout the year.

## RE

In R.E. the children will be learning about God in Christianity. The focus will be on 'What do Christians believe God is like?'

## English

In English, the children will begin with creating performance poetry based on Crackle! Spit! We will then study about writing a biography based on Guy Fawkes. This will then be followed by character profiles about the Highway Rat.

Phonics will take place daily.

## Year 1 - Term 2 Famous People.

## Science

In science, the children will be investigating further about 'Every Day Materials'. They will focus on distinguishing between an object and the material from which it is made alongside identifying and naming a variety of materials.

## Maths

In Maths the children will be learning about addition and subtraction within 10. We will also explore geometry (shape).

The children will then learn about place value within 20.

## PE

In Year 1, PE will take place on Monday and Tuesday. The focus will be on developing skills in throwing and catching as well as performing dances, using simple movement patterns.

## Computing

In computing the children will be using Purple Mash to explore the unit 'Lego builders'.

## PSHE

The 'Jigsaw' lessons will focus on "Celebrating Differences" as this will focus on looking at ways we are the same and ways that we are different.

## Geography / History

In history the children will be studying famous people. We will begin with looking at Guy Fawkes and Dick Turpin. We will be exploring to find out their significance in the past.
