Statement of intent

Keystone Academy Trust (KAT) is committed to maintaining the confidentiality of its information and ensuring that all records within the school are only accessible by the appropriate individuals. In line with the requirements of the General Data Protection Regulation (GDPR), the school also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were intended.

The school has created this policy to outline how records are stored, accessed, monitored, retained and disposed of, in order to meet the school's statutory requirements.

Where 'parents' are referenced within this document it is understood that this term encompasses and includes 'carers' and/or 'guardians'.

This document complies with the requirements set out in the GDPR, which came into effect on 25 May 2018. The government has confirmed that the UK's decision to leave the EU will not affect the commencement of the GDPR.

- Absence notes/records

- 3.12. The school will, wherever possible, avoid sending a pupil record by post. Where a pupil record must be sent by post, it will be sent '**signed for**', with an accompanying list of the files included.
