Covid-19 home working pack

Dear parents / carers,

You will be aware that the Government has decided that, with the exception of a small number of children, our pupils will not be able to come to school. We do not know how long the closure will be but it is clearly not going to be a short term. Therefore, we do expect pupils to be encouraged to continue to learn at home.

During the closure, we will put all information out through Parent Pay, on the school website and on our Twitter stream. Please do follow our tweets at www.twitter.com/longsuttonps

It is vital that children do continue to undertake some work. We have:

- provided a learning pack for children which will be printed off and handed out at school.
- placed a range of work on Purple Mash for children to do online using the 2Do part of the site
- ensured that there is a lot for children to do online both to support children's work but also to give chance to experience new things. This will include allowing them to participate in class blogs and put work on their class display.

Each child has a log in for Purple Mash and TT Rockstars / Numbots. Older children will have a log in for Spelling Shed and PiXL. You will find log ins on a sheet in this pack.

We encourage all pupils to read every day and use online activities to improve mental recall.

Children will be able to use the following products

Foundation Stage

Purple Mash <https://www.purplemash.com/login/>

Numbots <https://play.numbots.com/#/intro>

Key Stage One

Purple Mash <https://www.purplemash.com/login/>

TT Rockstars <https://trockstars.com/>

Spelling Shed <https://www.spellingshed.com/en-gb>

Numbots <https://play.numbots.com/#/intro>

Maths Shed <https://www.mathshed.com/>

Key Stage Two
