

Task 1: Tricky Teeth

Greetings me hearties!

Captain James Blackmouth here. Blackmouth by name, Blackmouth by nature! My teeth are all rotten and I can't afford anymore gold ones, so the ship's dentist tells me I must start brushing them. I haven't got the foggiest where to begin. Can you help?

Task 1: Tricky Teeth

Mission: write a set of instructions which will explain to Captain James Blackmouth how to brush and care for his teeth.

Before you write:

Can you clearly explain how to brush your teeth?

How might a set of instructions be organised?

Is there some key language you will need to use?

Task 1: Tricky Teeth

After you have written:

- Read your instructions aloud. Are they clear and concise?
- Look carefully at the different types of punctuation in your writing. Is it placed and used accurately?
- Notice the organisational devices you have used. Do they make your text easy to read and follow?
- Identify the key language in your writing. Have you chosen precise words to make your meaning clear?
