I would like you to watch the video of the story. Write using the first person like last week. Remember I should be a capital letter when you write in the first person. Try to create a contrast between how Persephone feels when she is away from her mother, and how she feels when she returns home each year. Use lots of description, amazing vocabulary to create a complete change of mood. Remember to check your work.</p>	<p>This week we are looking at another wonderful Greek myth: Demeter and Persephone. I have put a link to a clip below. We are going to use this legend to inspire some great writing. Remember to use lots of description of the character's feelings, the setting and the characters themselves. Really paint a picture for your reader. Illustrate your work too and remember, if you are able, to post it on the blog. https://www.youtube.com/watch?v=rnxdvWF8Mp4</p> <div data-bbox="1272 646 1780 1013" data-label="Image"> </div> <p>French Last week we revisited colours. Hopefully you are really starting to get the hang of the song and will be experts when we return to do this together.</p> <p>Due to lockdown, the Olympics can not take place. Try to design your own mini Olympic event using things that you have in your home. See if you and your family can try the event- who will be the winner??</p> <div data-bbox="1814 997 2184 1236" data-label="Image"> </div>
