School Disco

Dear Parent/Carer,

Friends of Long Sutton Primary School are delighted to have organised a disco to be held on Friday 17th May. As before, the disco will be split into 2 time slots:

EYFS and KS1 (reception, year 1 and year 2) 5.00-6.30

KS2 (years 3,4,5 and 6) 6.45-8.30

The disco will appear on parentpay by Wednesday 8th May. If you wish for your child to attend the disco then please pay by Wednesday 15th May to allow time for catering to be arranged – it is essential you stick to this deadline to guarantee your child a place. If you are not in a financial position for your child to attend the disco but they wish to do so, then please speak in confidence to the school office.

We are changing the way in which we ticket discos, so please read the following information carefully to ensure a smooth transition. As before, your child will not bring a ticket home, but their name will be on a list at the entrance. The price of entry to the disco will be reduced to £3 which will still include a sweet cone given on leaving. Everything else will be at an extra cost and payment will be in the form of cash, therefore please send your child to the disco with a named purse/wallet and the money you feel they will need. Please use the following price list as a guide:

Hot Dog/Pizza Slice/Chips – 50p per item

Squash – 20p per cup

Fizzy Drinks (KS2 only) – 50p per cup

Water – Free

Tatoos – 30p

Nail painting – 50p

If your child has any allergies or dietary requirements please advise us by emailing friendsatslscpschool@gmail.com. Please note that we will always cater for allergies and dietary requirements but can only do so if we receive an email notifying us, even if you have told us before we must receive an email for each event. Please also notify us on the above email address if your child is not allowed to have tattoos or nail painting.

We are aware some children enjoy being part of the disco experience but at times can find it too loud or overwhelming, therefore we are going to trial a quiet room manned by a member of school staff with colouring and activities to take part in, which we believe they may find very beneficial.

Please can we remind you that parents are unable to attend the discos with their children, however members of school staff and parent helpers will be present. If you would like to volunteer to help at the disco then please contact us on the above email address.

You will receive a separate letter outlining some other important information including the drop off and collection procedures.

Mobile phones are not permitted at the disco, so please do not allow your child to bring one with them.

Thank you for your continued support,

Friends of Long Sutton Primary School
