Dear Parents/Carers,

### **WORLD BOOK DAY 2022**

We are excited to announce that World Book Day (WBD) this year will be celebrated on Thursday March 3rd. We love reading and are excited to mark this special day with a series of activities across every class.

On WBD we would like the children to bring in their favourite book wrapped up as a mystery book to share with their classmates. They will write a series of clues on the outside and see if their friends can guess what book it is. We would love you to not only help them choose which book they are going to celebrate, but share your favourite books from your childhood with them.

We will also be launching a WBD challenge on the day in assembly. Please encourage the children to participate and we will draw some children who will receive a prize. I have included the links to the pages for younger and older children below, but the children will receive a paper copy on the day.

We at Long Sutton Primary School believe that reading is the foundation for success across all subjects and we will ensure that reading is at the forefront of everything we do. Reading is the golden key that unlocks the whole of a child's education.

Happy reading!
