Headteacher: Mr B Lord

Dear Parent and Carers,

Following on from many requests by our Year 1 parents and carers, we have decided to introduce homework in Terms 5 and 6. This will consist of weekly handwriting and spelling worksheets. The timetable for the week will be:

- **Handwriting**- is handed out each Thursday and will be **expected** to be returned the following Thursday.
- **Book Change**- Tuesday and Friday will allow staff to change your child's book to match their phonic phase and reading level.
- **Spellings**- will be handed out every Friday. These do **not** need to be returned as we would like the children to keep them at home to practise – the spelling test will take place each Friday.

We understand that, from time to time, you may face some challenges in completing homework/reading and spellings therefore, staff members voluntarily provide 5 minutes during their break and lunch times to support children with completing these tasks. This is so that we can work closely with you and your child in order to promote optimum progress.

Thank you for your co-operation and continuous support.

Kind regards,

Year 1 Team.
