Long Sutton CP School: Home – School Agreement

At Long Sutton School we wish to create a culture of learning, where children are happy, enthusiastic, motivated and ambitious.

Our **Mission Statement** is:

Be a Star!

Our **Vision** is:

To continue to strive for the highest academic standards, team work and a strong sense of community spirit.

This works best when home and school are working in partnership so that all staff, children and parents understand their roles and responsibilities to work together for the benefit of everyone.

Through this agreement the School will:

- Maintain a high standard of education, considering the requirements of government and ensuring a balanced curriculum
- Care for each child's safety and well-being
- Endeavour to meet each child's needs to ensure they fulfil their potential
- Provide a stimulating, safe and caring learning environment
- Teach children to develop positive attitudes to everyone regardless of difference
- Communicate regularly with parents
- Have respect for all in school, both adults and children
