Reading

We will be reading the following texts:

What the Ladybird Heard

Coming to England

Home Reading

There is no set homework for Reception but there is the expectation that you read daily with your child either the I Read or We Read book. We will now be sending Handwriting tasks home on Tapestry to support children's letter formation.

Book bags need to be in school everyday.

Books will be changed on a Thursday and new I Reads will be sent home after the third read in school. This will also be on a Thursday.

Get In Touch

If you would like to speak to any member of the Reception team, then you can of course speak to us at the door at drop off and pick up time.

You can also make use of tapestry and send us messages and activities you do at home in which staff will reply to. Your child will be able to share their achievements at home with their class during weekly show and tell.

Alternatively, if you wish to make an appointment to speak to your child's class teacher, then please contact the school office using the following information:
