Tuesday 22nd July

Dear Parents and Carers,

As you will know, we are very fortunate indeed to have a wonderful Friends of the School who not only provide some fantastic events for the children but also fundraise along the way. In the last three years they have paid for a pantomime for all the children to enjoy as well as completing 2 major projects: the outdoor gym and the new Friends library alongside many other projects.

This is a huge achievement and is appreciated by all our children, who benefit daily, as well as by our school community. This year we have 2 members of the Friends who are leaving us as their children are now finishing Year 6. I want to say a huge thank you to Mrs Billingham and Mrs Russell, both of whom have played a huge role in the Friends for a long time. We are very grateful for all your hard work and commitment to the school.

As we look forward to the next academic year, we will be looking for new members to come along and support the Friends. Any time you can give is always much appreciated. If you are interested, please contact the Friends via their Facebook page or leave your name and details with the school office.

Kind regards,

Miss Gray
