### Year 5 trip Ilam Hall

Dear Parents and Carers,

As I'm sure you are being reminded by your child, our trip to Ilam Hall is now only just over a week away. Children need to be at school by 8.40a.m. on Friday the 29<sup>th</sup> September. The children need to bring a bag that they can carry their lunch and drinks bottle in that can be comfortably slung over their shoulder when walking. A small rucksack would be ideal. Children need to wear comfortable flat shoes suitable for walking. Please pack some bin liners for dirty or wet clothing and shoes. Because of the type of flooring, slippers would also be useful to wear at night. Children can bring a small amount of money to buy treats, but we would recommend no more than £10 (preferably in coins). Money should be brought in a small plastic bag or purse with their name on it to hand to Miss Stretton on the day of departure. I have included the kit list previously circulated again on the reverse of this letter. **Children will need to bring their own food for lunch on the first day, please pack it in a disposable bag.**

If your child needs medication, please ensure the medical form is returned by Wednesday the 22<sup>nd</sup> at the latest. Medical forms can be requested from the Year 5 staff. Any medication needs to be in a labelled sealable bag and, where possible, should be given in to Mr Whitehead as early as possible next week. Medication, where necessary, can be handed in on the morning of departure, but we would politely ask you to come as early as possible.

As always, parental permission on photographs will be observed. If you would like to change your permission, this can be done through the school office. Photographs will be posted subject to phone signal which is extremely weak. If this isn't possible, we will post them on our return. Because of poor phone signal at Ilam Hall, if you need to contact us in an emergency, please ring Ilam Hall **01335 350212**.

We return to school on Sunday the 1<sup>st</sup> October at around 3.00pm. If we are going to be late, we will update you through the school Twitter and Facebook accounts.

Unless prearranged with myself for dietary requirements, please do not to send the children with any more snacks than a small tube of sweets and a healthy snack for when they are walking on Saturday. If you have any other queries, please contact me and I will be happy to help.

Regards,

*Pete Whitehead*
