Tuesday 18th November

Dear Parents and Carers,

Christmas is nearly upon us; we are very excited. As you have probably seen on social media, we will not be holding a Christmas Fayre this year. These events take a lot of time to plan and unfortunately it was not well attended last year. However, we will still be organising a Christmas event on a smaller scale, more details to follow! So many of you have requested that we run another hamper raffle in replacement of our traditional Christmas raffle, we thought this would be an amazing idea to save on your Christmas shopping bill should you be lucky enough to win. On Friday 28th November we will be holding a non-uniform day and we kindly request that in return for wearing non-uniform you bring in a donation for our hampers. These may include, Christmas snacks, chocolates, biscuits, alcohol, soft drinks, chutneys, sauces to accompany Christmas lunch, crisps, cheese crackers, crackers for the table, Christmas activities – the list really is endless. You may decide to send in something that could help with the winners Christmas dinner or even a small gift or a Christmas candle. The idea is that there is hopefully something on the list above that suits all budgets. Please be mindful of dates as we will not draw the raffle until the last week of term. We also do not have fridge or freezer space; all donations will need to be able to be stored at room temperature. If you decide to send alcohol in as a donation, please hand this into the office at school drop off rather than taking to it to the classroom.

Children may wear football kits if they wish but we do ask that clothes remain suitable for school (no heels, crop tops and shorts and skirts that are an appropriate length for school). Please also be aware of the weather as children will, as usual, be outside at break and lunchtime.

Many thanks for your continued support,

Friends of Long Sutton Primary School.
