Headteacher: Miss Gray

Monday 22nd January

Dear Parents and Carers,

Next term our topic in Reception will be 'Real Life Superheroes' where we will be learning about jobs in our community. On Monday 19th February, we are going to be having a day celebrating your child's ambition about what they would like to be when they are older.

For this day we would like your child to come dressed up in an outfit reflecting what their ambition is to be when they are older. This could be anything from an astronaut, a police officer, a fire fighter, or a teacher. Please spend some time talking to your child about what they would like to be when they are older and what your current job is and what your ambitions were when you were younger.

To help children to understand there are many different job roles in our community we would love for you, as parents and carers, to record a short video explain what your job is and what you have to do. If you wear a uniform to work you could possibly wear this in the video so we are able to discuss the different outfits people wear for work. Please upload these videos to Tapestry by 20th February.

Kind Regards,

Mrs Barkworth and Miss Fellows
