Headteacher: Miss Gray

Downloading your child's journal

Dear parents and carers,

From Friday 18th July you will be able to download your child's Tapestry journal.

You can find your PDF copy ready to download by following the steps below:

- 1) Log into your Tapestry account on a browser by going to www.tapestryjournal.com.
- 2) Select your name in the top right hand corner.
- 3) Go to 'Your Downloads'.

You will need to do this from a browser, such as Microsoft Edge, Chrome, Safari, Silk etc. Journals cannot be downloaded from the app.

We urge you to download and save a copy as soon as possible, so you don't lose the opportunity to save those memories of your child's learning journey for the year.

Your child's journal as a gift book

When you receive the link, as well as the option to download a PDF version of the journal, you'll find the option to order your child's learning journal as a professionally printed book through a website called Group Hugs. You can order as many copies as you want and can choose between hardback and paperback.

This process is carried out completely by Group Hugs and any ordering, processing and payments all happen through them. We would strongly recommend that you first download your child's journal and check you are happy with the content before ordering.

Note that once the journal has been sent to you to download, we are not in a position to make any changes. If you have any problems or queries about your order, you'll need to contact Group Hugs directly.

If you would like to read Group Hugs' Privacy Policy, you can find this on the their website at www.grouphugs.co.uk.

Kind Regards,

Mrs Barkworth and Miss Fellows
