Monday 5th December

Dear Parents and Carers,

On Thursday 8th December we are planning on holding a school fundraising Santa Dash together with the Friends of the School. On this day, all the children will be completing a circuit or circuits of the school according to their age.

Children may add red and white clothes to their school uniform or come to school dressed completely in red and white. Please note that this is not a general non-uniform day. The Friends are very kindly providing a Santa hat for each child for the Santa Dash, which they can also wear to the Christmas lunch on Friday 9th December.

Once the children have completed their 'dash' they will come back into school for hot chocolate and a biscuit. If children are dairy or gluten intolerant alternatives will be available for them. The children will be running on the field so please feel free to send in wellies or old shoes on this day. If the weather is dreadful, we will postpone the dash to the next week and will let you know in advance.

We are asking for a donation of your choice to take part in the Santa dash. Mr Whiting is drawing on outline of Santa for us and we hope to fill Santa with coins that have been donated!

Kind regards,

Miss Gray
