## TAPESTRY JOURNAL DOWNLOAD

04.07.2025

Dear Parents and Carers,

As the end of year approaches you may be thinking about how you can save your child's Tapestry profile as it shows their journey through Nursery.

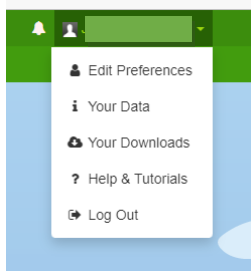

If your child will be joining us in Reception for September 2025 then your child's profile will be transferred across to their new class over the summer holidays. This means all observations from Nursery will be accessible through your account as they have been this past academic year. Their journals will be able to be downloaded at the end of their year in Reception.

If your child will be moving onto a new setting, then your child's journal will be available to download from Friday 18<sup>th</sup> July to Thursday 31<sup>st</sup> July. To download your children's personal journal please follow the instructions below.

1. On a computer log in to your tapestry account. [Tapestry - Log In \(tapestryjournal.com\)](https://tapestryjournal.com)

2. Once logged in click on your name on the green banner on the top right corner and click on Your Downloads.

In this section you should find your child's journal to download as a PDF.

If you have any problems, please speak to Mrs Barkworth before the end of term as emails will not be answered over the summer holidays.

Kind regards

Mrs Barkworth and Mrs Lilley
