Year Visit to The Deep (Hull) Thursday 19th June 2025

Dear Parents and Carers,

As a school, we always want to enthuse learning and give children as many opportunities as we can to experience the wider world around them. We would therefore like to give the children in Year 3 the opportunity to visit The Deep in Hull during term 6.

In Summer Term 2, the children will be learning about 'Oceans' and why they are important to us. As part of the experience, the children will participate in a workshop that explores:

- Our amazing marine life and gain a greater insight into the aquatic world.
- Take part in interactive workshops based around the Oceans
- Explore The Deep with a tour and enable us to understand the importance of the ocean and life within it.

The total cost of the experience is **£28.84 per child** and we are asking for a voluntary contribution to meet the costs. We do understand that you may be unable to contribute at this time; we also recognise that you may wish to contribute an amount lower than the cost; please indicate whatever contribution you can afford on the forms link below.

Unfortunately, we have a limited budget to support each year group with trips, visitors and experiences and so we are asking for your expression of interest in this visit to see if it is financially viable to go ahead before we book the experience and confirm that it can happen. Please can you complete the forms link below and select one of the following options. Please indicate whether you could support with a voluntary contribution or not. All responses will be treated in confidence. If the responses indicate that the experience is viable, we will go ahead and book a date. If insufficient voluntary contributions are indicated and the experience is not financially viable then unfortunately, we will not be able to offer this. **We ask that the forms link is completed by Wednesday 19th March.**

Kind regards,

Miss Gray and the Year 3 Team
