Friday 6th February 2026

Dear Parents and Carers,

As a school, we always want to enthuse learning and give children as many opportunities as we can to experience the wider world around them. We would therefore like to take the children in Reception to Church Farm to support their learning in class about farm animals and their babies in term 5 of this academic year. The total cost of the trip is £17.11 per child, and we are asking for a voluntary contribution to meet the costs. We do understand that you may be unable to contribute at this time; we also recognise that you may wish to contribute an amount lower than the cost; please indicate whatever contribution you can afford on the link below.

Unfortunately, we have a limited budget to support each year group with trips, visitors, and experiences and so we are asking for your expression of interest in this trip to see if it is financially viable to go ahead before we book the trip and confirm that it can happen.

Please can you complete the link below and select one of the following options. Please indicate whether you would like your child to experience this trip or not. If you tick that you would like them to experience this trip, then please indicate whether you could support with a voluntary contribution or not. All responses will be treated in confidence.

If the responses indicate that the trip is viable, we will go ahead and book a date. If insufficient voluntary contributions are indicated and the trip is not financially viable then unfortunately, we will not be able to offer this trip.

We ask that the link is **completed by Monday 23rd February** at the latest as Church Farm are not able to hold the date for us until we can 100% confirm the trip is able to go ahead.

[Reception trip to Church Farm 2026 – Fill in form](#)

Kind regards,

Miss Gray, Mrs Barkworth and Miss Fellows
