Thursday 9th October

Dear Parents and Carers,

As a school, we always want to enthuse learning and give children as many opportunities as we can to experience the wider world around them. We would therefore like to give the children in Year 2 the opportunity to go to Lincoln Castle to support their learning in term 3 after Christmas. Year 2 will be learning about life in castles and previous years have really enjoyed the experience and gained a lot from it. The children will be given a guided tour around the walls of the castle, learn to be an archer and take part in a medieval feast.

The total cost of the experience is £18.40 per child and we are asking for a voluntary contribution to meet the costs. We do understand that you may be unable to contribute at this time; we also recognise that you may wish to contribute an amount lower than the cost; please indicate whatever contribution you can afford on the forms link below.

Unfortunately, we have a limited budget to support each year group with trips, visitors and experiences and so we are asking for your expression of interest in this trip to see if it is financially viable to go ahead before we book the experience and confirm that it can happen. Please can you complete the forms link below and select one of the following options. Please indicate whether you would like your child to have this experience or not. If you tick that you would like them to experience this visit, then please indicate whether you could support with a voluntary contribution or not. All responses will be treated in confidence. If the responses indicate that the trip is viable, we will go ahead and book a date. If insufficient voluntary contributions are indicated and the trip is not financially viable then unfortunately, we will not be able to offer this. We ask that the forms link is completed by Thursday 23rd October at the latest as the experience books up quickly and we don't want the children to miss out.
