FIRE STATION VISIT AND BONFIRE

13.03.2024

Dear Parents / Carers,

This term we have been learning about real life superheroes. Next week we will be learning about fire fighters and the vital role they play in our community. On Tuesday 19th March we will be (weather dependent) having a bonfire in the morning with Mr Goult and in the afternoon, we will be leaving the school site to visit the fire station. We will be leaving school shortly after lunch and will return before the end of the school day.

For this day can you please ensure that children have appropriate coats as we will be visiting the fire station regardless of the weather and ensure wellies are in school for the bonfire in the morning.

Any questions please speak to your child's class teacher.

Kind Regards,

Mrs Barkworth and Miss Fellows
