World Book Night 2026- Join us in Celebrating Reading

THE
READING
AGENCY

Dear Parents and Carers,

As part of our celebrations for the National Year of Reading, we would like to invite you to take part in World Book Night 2026 on Thursday 23 April with your child/ children.

World Book Night exists to bring people from all backgrounds together to inspire others to read more. We would love for our whole school community to help spread the joy of reading by taking part at home.

We are encouraging a fun, relaxed book-sharing time with your child- this can be any book of their choice: comics, joke books, short reads, a chapter from a longer novel, poetry, or a favourite story. The aim is simply to enjoy reading together.

If you would like to find out more or join in with additional ideas and activities, please visit: <https://worldbooknight.org/get-involved>. There are opportunities for adults to join in organised reading events.

We would also love to see how you celebrate with your child/ children. Please feel free to share photos of your World Book Night at home in the comments on our school's Facebook post, which will be shared on 23 April.

Thank you for your continued support in helping us inspire a love of reading.

Yours sincerely,

Mrs Clark
