Year 1 Toys Lesson

Dear Parents and Carers,

This term Year 1 are learning about toys in their History lessons. In week 3 we will be exploring interactive toys. From Monday 10th November we are allowing the children to bring in an interactive toy of their own to show the rest of the class. This could be a toy that makes sounds, shows images, has a microphone to mimic sounds or a toy that moves. Please could you ensure this toy is labelled as we would like to keep hold of the toys in class for the week to allow plenty of time for exploring! Ideally, the toy should not be of a high price value (such as a games console.)

We look forward to finding out which interactive toys the children have and enjoy playing with.

Yours sincerely,

Miss Nichols and Mrs Lee
