Monday 18th December 2023

Dear Parents/Carers

We are lucky as a school to have links with Sarah Day and her colleagues who run amazing Caveman experience days. They are experts on pre-history and share their knowledge in a very child friendly way.

Year 3 will be lucky enough to be visited on Thursday 1st February 2024. This will include learning about the Stone Age in detail, and then moving onto the Bronze and Iron Age, which is a fantastic way to bring these eras to life.

The children get to see and listen to how people in the Stone Age lived and hunted for their food and how this changed over time.

Each time we have had a visit from The Cavemen, the children have been so excited and have loved every minute, as it is very different from the usual experiences that we are able to provide for our pupils. It's a fantastic experience, that the children will thoroughly enjoy. We are only able to provide this experience at school as the yurt is put up on our grounds. As they are one of the few providers of this service, the cost is quite high, however it is an amazing day.

To fund this experience, we are asking for a voluntary contribution of £15.61 as per the viability study sent out at the end of the summer term to be paid via ParentPay. Unfortunately, contributions for amazing workshops such as this one have fallen much below those for educational visits off site in the past. Without these contributions, workshops like this will not be able to take place and pupils will miss out on wonderful experiences. If you have any problems logging into ParentPay account please contact the school office.

Yours sincerely

Miss Law & Mrs Withers

Year 3
