Dear Parents and Carers,

Year 3 School Swimming has ended

We are writing to confirm with you that the Year 3 Swimming provision has now ended for this academic year.

Congratulations to all the pupils who have achieved swimming a distance of 25 metres (or more). For those who haven't achieved this yet, 'Top-Up' swimming sessions will be offered during their time in Year 6, to support them in reaching the government expectation for swimming.

Kind regards,
Miss Pycock and Mrs Clark
