About myHappymind

myHappymind is an award winning, whole school and nursery curriculum. It teaches children preventative habits that support positive mental health, resilience and self esteem.

Taught to every child in a school from Early Years through to Year 6, myHappymind is delivered via an innovative technology platform making learning easy and fun.

All of the concepts we teach are based in science and research and grounded in neuroscience and positive psychology.

We are passionate about supporting teacher wellbeing too and so all schools using the program have access to a teacher wellbeing program.

We are also proud to support parents and carers by providing them with a free app to continue the learning at home. You can learn more about how to access the app in this document.

To learn more: Check out our founder
Laura Earnshaw's book, [‘My Happy Mind’](#).

Engage

We have just come to the end of our last module in the myHappyMind programme called Engage. The children learned so much through this module including:

- Why it is important to have goals that we are passionate about.
- How to set our own goals.
- That when we feel good, we do good.

Why not ask your children to tell you what they have learnt. Here's some questions to help you:

- What is a Big Dream Goal and what is yours?
- What are the 3 steps to set a goal?
- Do setting Goals help you feel good?

Support your child at home:

Log onto the parent app for more information about the Engage module and how you can support your child at home.

There are lots of activities you can do together at home including listening to the story and song, plus much more.

To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code.

Your authentication code is .

What's up next?

This is the last module in the myHappyMind programme.

We have really enjoyed our learning in school and we hope you have enjoyed continuing the learning at home with your child.

Want to learn more about the science of happiness and wellbeing?

BY LAURA EARNSHAW

My Happy Mind is the first book from our founder Laura Earnshaw. The book reveals all the science-backed secrets used in our curriculum to empower and educate parents - whether your child is struggling already, or you're interested in future proofing their mental health, there's something in here for everyone.
