

Long Sutton County Primary School

Friday 18th July 2025

Unbelievably, we are once again at the end of another academic year! July always seems to come round incredibly quickly, and it seems amazing that all the children are once again ready to move up a year group.

For those children in Year 6 this will mean starting a whole new adventure at secondary school and we wish them a fond farewell as they move onto their next stage of education. Year 6 have been amazing this year and we are very proud of them and their many achievements. We wish them lots of luck and the very best for their futures. You are ready Year 6 – enjoy every moment!

For others it will mean starting school in reception and we are very excited to welcome familiar faces to our school as well as lots of new families who are joining our wonderful community. This is the start of an exciting adventure with many things to look forward to.

Once again, we will be busy over the summer holidays with some exciting projects. Year 5 and Year 6 children will be able to enjoy brand-new toilets when they return. We have also put a large investment this year into new technology for the children to use for their learning and are excited to start using this in the Autumn term.

We can't wait to see the beautiful new library which is being installed over the summer thanks to our incredible Friends who have fundraised tirelessly to give the children at Long Sutton Primary an inspiring space to read and learn. I am forever grateful for the support not only from the Friends who are a wonderful group but also to you as our school community for the overwhelming support you always give to the Friends and our school. Thank you.

Before we all head off into the summer, I want to say a huge well done to all our children. The children are always our Long Sutton Stars and we are especially proud once again of their learning, progress, enthusiasm and attitude this year – well done everyone! I also want to say a big thank you to our staff who have worked tirelessly to deliver great lessons and experiences for the children.

I wish everyone a wonderful summer and I hope you have the chance to rest, relax and recuperate alongside valuable family time. I look forward to welcoming you back in September for another exciting year!

Kindest regards,

Miss Gray

Staffing

As is usual at the end of a year, we have some goodbyes to say. Mrs Cole will be leaving us as well as Miss Thornhill who is moving onto a new school to take up a permanent position and we thank them and wish them all the best.

Mrs Claxton has taken the decision to retire after many years at our school. We wish her a very happy retirement and thank her for all her commitment to our school.
