

## Long Sutton County Primary School

Friday 21<sup>st</sup> March 2025

We were incredibly proud of our Happiness Heroes for organising a fantastic coffee morning this week with the help of Mrs Rouse. We were delighted that MIND were also able to attend to talk about mental health and wellbeing. We raised £157 for MIND which was due to your wonderful support thank you. myHappymind is very important to us at Long Sutton Primary as it plays a huge role in the wellbeing of the children here and we are hoping to shortly receive our silver

accreditation having achieved the bronze award previously.

## Art Workshop

Art is a hugely important to us as a school as we very much value opportunities for the children to develop their creativity skills. We have an excellent relationship with Transported who run many art projects and opportunities in South Holland and we were delighted to be able to take part in their British National Gallery roadshow last week. Many children were able to work with Mr Whiting and the visiting artists throughout the day and they made us

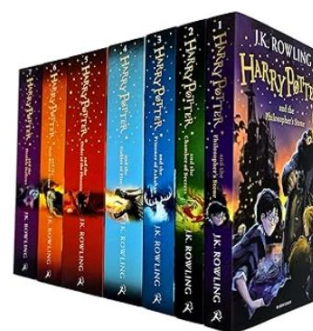

incredibly proud with their brilliant attitude as well as their art skills. We are seeing some fantastic artists emerging at school and it is very exciting to see the impact of our art studio and art specialist Mr Whiting. Later in the year we will be holding our annual arts week to celebrate art as well as participating in the annual flower festival at St Mary's Church in Long Sutton over the May bank holiday weekend.

## Library

Our school library is a lovely room and we are incredibly fortunate to have such a large space at the heart of our school to celebrate and enjoy reading. Mrs Shelley is our school librarian and she does a fantastic job of making sure this is a beautiful space for all to enjoy. The Friends of the School have been doing an amazing job in fundraising to support us to renovate the library space and we are very grateful for all the support you have given us with this fundraising. I am delighted to let you know that we have reached the target after the recent disco and competitions and so we are currently booking the contractors to complete the renovation – further details will follow!

Mrs Shelley has recently had some requests for books for older Key Stage 2 children. These have included more Harry Potter books and the Hunger Games books. If you have any of these at home that are no longer read, we would be very appreciative of any donations. This also includes any other books suitable for ages 9-11.
