

Long Sutton County Primary School

Friday 4th July 2025

Talent Show

We are all looking forward to our annual Talent Show on the last day of this term. This will be the third year we have held this event and it really is something to thoroughly enjoy as we celebrate the talents of our children at Long Sutton! Please look out for a letter with further details about how to join in.

Year 6 Play

Year 6 are very busy indeed with their rehearsals for their production 'Pirates of the Curry Bean.' The props are ready and the stage is up ready for them to perform to their family and friends next week. If you would like extra tickets, please ask at the office to see if there are any spares.

Year group assemblies

Many thanks to everyone who has been able to come and see the children perform in their year group assemblies, we have two more to go this year! The year group assemblies are a great opportunity for the children to gain experience at standing up in front of a large group and we are very proud of their confidence and enthusiasm – well done to everyone so far and good luck to Year 3 next week, as well as Year 6 who will deliver their Leaver's Assembly.

Move Up Sessions

Next week will see our move up sessions taking place for all children so they are able to meet their new teacher. Children will spend Tuesday afternoon in their new class but will be released at the end of the day from their **usual** classroom. On Wednesday morning, children will need to enter school through their **new** classroom, this allows

new Year 3 children to experience coming into school through a different gate and gives all children the chance to use their new classroom door in the morning. School reports will be emailed out throughout the afternoon on Tuesday 8th July, these will include details of new classes for next academic year. We are using the email addresses we currently hold for you on our new system. If you do not receive a report on Tuesday, please let your child's class teacher or the school office know. Any results of Statutory testing will also be released on Tuesday 8th July.
