Early Years Outdoor Area

We are absolutely thrilled with our new outdoor learning space for our reception children! The children are loving being outside and learning in such an incredible space. Newby Leisure worked incredibly well with our Early Years Team to create this wonderful outdoor area which will provide fantastic learning opportunities for years to come.

Attendance

Good attendance at school is incredibly important – we know that missing school impacts negatively on children both academically, socially and emotionally. We are delighted to let you know that here at Long Sutton Primary School our overall attendance is above the national average. This is testimony to all your

support as families and we thank you for your commitment to making sure your children attend school regularly and on time – it makes a huge difference! Thank you!

This week is Sports Week and the children will be taking part in a variety of exciting and active activities.
