Rock Your Socks Day

Many thanks to everyone who supported us with our Rock Your Socks Day – it was great to celebrate World Down Syndrome Day #EndTheStereotypes. Your socks were amazing and lots of fun!

Art Competition

We want to say a huge well done to everyone who entered our art competition this term. There were lots of fantastic entries using a range of different media which were very creative. Our overall winners and runners up have been awarded their prizes in our end of term assembly this morning. Funds raised will go towards our Arts Festival next term.

Happiness Heroes

Our wonderful Happiness Heroes have been very busy making a video which explains why you should download and access the My Happy Mind app. Please do take a look on our school website to view it – well done to the Happiness Heroes!

Passport Day

Yesterday, we held our annual passport day in school. All the children had the opportunity to 'travel' around different classes and learn about different countries and cultures. Key Stage 1 learnt about the four countries that make up the United Kingdom, Key Stage 2 learnt about France, Kenya, Brazil and Australia. The children were really enthusiastic about this day and thoroughly enjoyed themselves.

Bag 2 School

Thank you so much to everyone who brought in bags for our Bag 2 School collection last month – we raised £110 which has gone towards new books in classroom reading areas. We will be having a second Bag 2 School collection in May.

Fire Safety Year 2 and Year 6

Year 2 and Year 6 children enjoyed a visit from Lincolnshire Fire and Rescue this week. Year 2 learnt about what it's like to be a firefighter and how they get ready to go out to fight fires and help people. They also looked at things around the home such as kettles and ovens and why they should only ever use them with an adult. Finally, they talked about what to do if there ever was a fire and how to get help.

Year 6 learnt about all the different roles that fire-fighters have and how they help to prevent fires by educating people on the dangers of faulty electrical equipment. They watched a video about how quickly a fire can spread and what to do if they discover a fire. They also saw what it takes for a fire to thrive and looked at the pyramid of heat, fuel and oxygen. Everyone then all had a go at 'stop, drop and roll'. Afterwards, Year 6 were given a leaflet on how to keep their homes safe and how to apply for free installation of fire alarms in our homes.

Class assemblies

Year 3 and Year 2 have performed their year group assemblies this term. We are very grateful to all families who were able to attend and support the children. We are always impressed by our children when they stand up in front of an audience to perform. The children worked really hard on these – well done!

Forthcoming dates

Tuesday 16th April
Thursday 18th April

Friday 19th April

Thursday 25th April
Friday 26th April

Monday 29th April

Wednesday 1st May

Tuesday 7th May

Wk beg 13th May
