

Long Sutton County Primary School

Friday 12th January 2024 Newsletter

Welcome back to the start of the Spring Term – it has been lovely to see everyone back, ready to start the new term. Many thanks to all our families and children for your amazing support for all our Christmas events at the end of last term – we are incredibly fortunate to have such a great community and as always, your support was much appreciated and welcomed.

Trips

We want to make sure that we offer the opportunity for each year group to go out on at least one external visit each school year and where possible experience a visitor into school as well, as we appreciate children very much enjoy these experiences and gain a huge amount from them – we all remember our primary school trips from when we were children! We have recently sent out viability study letters for Year 5 (The Deep) and Year 4 (York). Many thanks to everyone who has returned these – we do need a response from all families please before we can make a decision as to whether a trip is financially possible. As soon as we have a response from everyone we will confirm as soon as we can. Payment for the Year 2 trip to Lincoln Castle is now available on Parent Pay as is the Year 3 Caveman experience.

Introducing our Happiness Heroes.

Our very own Happiness Heroes have been presented with their badges this week in Star Assembly. They are all about promoting Happiness! They are passionate about My Happy Mind and they love to promote the strategies they have learnt from it, for example Happy Breathing.

Our Happiness Heroes are enthusiastic about suggesting and implementing new ways we can improve our positivity within our school. They are going to help support the teaching of My Happy Mind within their classrooms and have a range of activities to complete over the year.

We hope you enjoyed the wellbeing challenge over the Christmas holidays which our Happiness Heroes created for you. Please keep an eye out on our website, to see what else our Happiness Heroes are getting up to.

Smart watches

Some children have been fortunate enough to have received a smart watch over the Christmas holidays. These are amazing but we ask please that your child does not bring smart watches into school as they are very expensive and we do not want any child upset because their new watch has been lost or damaged. Many thanks for your support with this.

Year 6 trip to London

We have sent out the viability study for the Year 6 trip to London next year – this has been very successful for the last 2 years and we would love to be able to take the current Year 5 pupils next November when they are in Year 6. If you would like to book a place for your child, please complete the forms link in the letter so we can see if there is enough interest in this trip for us to book it. If you have any questions about the trip please see Miss Gray, Mrs Hales or Mrs Dowding.

Job Vacancy

We have a job vacancy for a Catering Assistant in our wonderful school kitchen – start date after February half term. If you are interested, then please have a look at the link below.
